

Hansen Foods, LLC

Hansen Foods has been a Green Bay institution since 1912 when the first home delivery of milk began. Hansen's business has been built on a commitment of providing quality products through exceptional customer service. Today, Hansen Foods, LLC produces frozen pizzas (its Peps and Hansen's brands along with other private labels) and offers award winning frozen products, chocolates, desserts, and gift items through its fund raising programs in over 26 states.

Hansen Foods is searching for a **Production/Packaging Team Members** to lead and help our production teams meet quality standards, monitor paper work and usage of raw materials. We provide competitive benefits including health & dental insurance, 401(k) profit sharing plan, etc.

Position Title: Production/Packaging Team Members

Responsibilities

- Open and remove raw materials from container.
- Manually place crust on a moving conveyor belt.
- Feed pizza product into machines and hoppers (i.e. cheese, sausage/meats, vegetables, pepperoni, pulled pork, Canadian bacon).
- Quality checking products for defect (i.e. torn or deformed pizza crust, missing product).
- Scan product and record information on proper forms.
- Performs quality checks (i.e. date & label checks).
- Rotate through various positions on the production line.
- Cutting down cardboard in preparation for recycling.
- Follow production guidelines for food safety.
- Works together as a team, cooperating with other employees.
- Work in a fast paced production environment and exhibit a sense of urgency while maintaining excellent productivity goals and quality product.
- Maintain a clean work space

Qualifications:

To perform this job successfully, an individual must be able to perform each primary duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required.

- Ability to read and understand schedules through verbal and written English/Spanish instructions.
- Attention to detail.
- Must be at least 18 years or older.

- Must be able to report to work on time according to your scheduled shift. Good attendance is mandatory.
- Must have your own reliable transportation.
- Repetitive fine dexterity use of fingers and hands.
- Be available to work weekends when necessary
- Ability to learn all applicable USDA, FDA and OSHA regulations applicable to Hansen's operation.
- Collaborative and cooperative work style with a "can do" attitude.
- Excellent problem solver who sees solutions instead of obstacles.

Physical Requirements:

1. Able to walk regularly around the building, including climbing steps and also occasionally climbing on a ladder
2. Able to lift up to 50 pounds unassisted
3. Able to bend, squat, sit and stand
4. Able to stand for extended periods.
